## 6. Spectators & Coaches Conduct

Spectators are to remain in the designated areas.

All spectators including family and friends are to remember that we are a civilised martial art and no heckling will be allowed. If necessary point deductions, warnings or disqualifications can be given to the competitor for their spectators or coaches behaviour. Positive encouragement like "go", "keep it up" etc are encouraged, provided, it is not done in an elevated, over excited or over powering voice. Clapping in a positive way is also great provided it is not too hard or overpowering, also not at inappropriate times, like for instance points being deducted from the opposing competitor etc.

Keep in mind that Taekwon-Do scoring is not an exact science and the judges do it to the best of their ability.

It is not a life & death event, it is a friendly competition.

Also remember any possible complaints have to be done through your clubs instructor.

No alcohol is to be consumed at the event.

We look forward to having you come and enjoy a great day with us.

## 7. Conclusion

Let this tournament elevate the name Taekwon-Do. Friendly rivalry is very good in the right spirit and with the end result being improvement by all who participate. This will be strictly for the individuals who compete and an over all club or federation winner will not be awarded as part of the day. This allows for this competition to be seen in the friendly spirit is intended to be. Taekwon-Do should stick together among all of the other martial arts out there!
